newsletter **february**

Tattersall's Committeeman Errol Chant Esq. and Mrs Chant, at the presentation of the Tattersall's Cup.

The long association of Tattersall's Club and racing continued on New Years Day at Royal Randwick. The Tattersall's Cup/Carrington Stakes Day saw over 180 Members and guests enjoying a fine day out at the races.

The view from the Vista Room provided an ideal setting, while the buffet lunch allowed those still celebrating the new millennium a choice of further festivities or a chance to recuperate after a night to remember.

Committee Members Errol Chant Esq. And Robert Sanders Esq. sashed and presented the trophies to the winners of the Tattersall's Cup and Carrington Stakes respectively.

...AND A NIGHT AT THE RACES

Thursday February 24 is the date for our first "Night at the Races" at Canterbury Park.

Night racing has been a huge success since its introduction at Canterbury, with attendances increasing on each occasion.

a day at the races...

Tattersall's has organised an exciting night out for Members and guests. Members can travel to and from the Club by coach, dine in the Guineas Restaurant (2 course gourmet meal in the Members' Restaurant), enjoy quality drinks for the evening, admission to the course and members' stand, and catch the coach back to Tattersall's at the conclusion of the race meeting.

Race books will be supplied and entertainment is being planned on the coach trip. Naturally refreshments will be available during the trip to Canterbury.

This is a great opportunity to partake in one of Sydney's fastest growing sports, and at the same time enjoy a memorable night out.

Bookings:

phone office on 9264 6111...

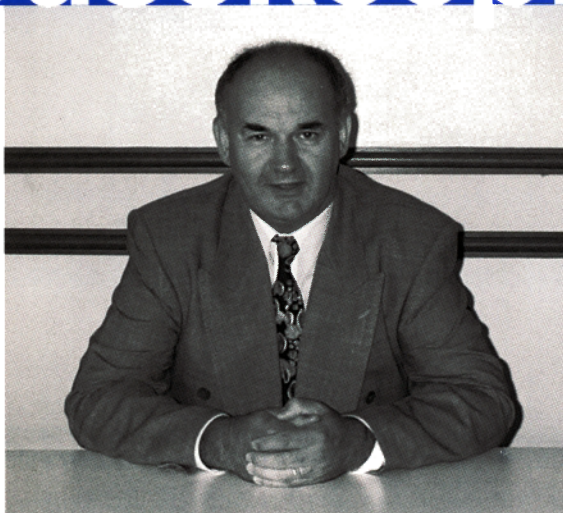

Cost \$85.00 (own transport)

Cost \$95.00 with Tattersall's coach.

housekeeping

secretary

The year 2000 is upon us and promises to be one of the busiest in the long history of the Club. 1999 will be remembered for the major upgrade of facilities, the new snooker and billiard complex, the second floor brasserie and the new look Members Bar.

This year a major upgrade of facilities and equipment in the Athletic Department and the pool area will complete the refurbishment project, providing Members with the most up to date Club in the country.

Our new caterer, Paul Merrony has commenced operations, providing Members with the finest of food and service. The Members' Dining Room on the third floor has recently reopened and the Brasserie has proved very popular during January both for lunch and dinner. We welcome Paul and his team to Tattersall's and look forward to working closely together, for our mutual benefit.

Members' functions will continue to provide an important source of entertainment and fellowship during the year. Plans are progressing to upgrade the number and type of functions, and to refocus some of the existing events.

During the next month, we will be appointing a new Marketing Manager but in the interim, marketing opportunities will be handled by the Secretary. During the exciting year ahead, please feel free to phone, write or call into the office, to discuss any problems or ideas you may have as a Member of Tattersall's Club.

Tim Bowring.

chairman's message

On behalf of the Committee I would like to wish all Members a Happy New Year.

Following the renovations carried out within the club during 1999, the Committee has decided to undertake a major upgrade of the Athletic Department to provide Members with more advanced and up to date training and leisure facilities. The result will be a very workable and relaxing gymnasium more in keeping with the high standard of décor throughout the Club.

On an administrative level I wish to take this opportunity to farewell Cmdr Robert Garing who has retired from the position of Secretary - Tattersall's Club. Robert joined the Club firstly in an advisory role, then as full time Secretary. He carried out his duties in a respectful and professional manner, the Club and its Members have benefited greatly under his administration. Robert has offered his services in a consultancy role in the future, thus I am pleased to report that he has not totally severed his association with the Club.

Tim Bowring has been appointed to fulfill the position of Secretary. Tim has been with Tattersall's for seven months. His experience includes a wide range of management roles in both the Club and Catering Industry on the east coast of Australia. He has also operated his own restaurant and catering business and undertaken consultancies for both private enterprise and government.

We look forward to his custodianship of our Club especially in this Olympic Year.

*Denis Cleary
Chairman.*

MOBILE TELEPHONES

Members are reminded of By-Law No. 8:

8. Mobile Telephones. Mobile telephones are to be switched off in the Club. However, Members wishing to make a mobile call may do so from the telephone booths on the second floor or in the anterooms to the rest rooms on the third floor.

This rule is to be strictly adhered to during 2000. Should you be expecting a call, please leave your mobile at the porters desk, instruct the porter as to the operation of the phone, and a message will be passed on to you when the call arrives.

The strict interpretation of this by-law is a result of continual abuse of By-Law 8 and complaints received by management from Members.

TAKE YOUR PLACE IN HISTORY

The first Singapore Airlines International Cup will mark the beginning of a new era in racing.

Singapore Airlines brings you the first ever Singapore Airlines International Cup - a quality world class event - that will undoubtedly put Singapore on the racing map of the world. With a network spanning 68 destinations across 40 countries, we are uniquely poised to bring the world to Singapore. We hope to do just that, with this exciting fixture that underscores our commitment to sport and tourism in Singapore.

your new gym

in great new shape

Many members take their regular workouts in the gym very seriously. Others drop in occasionally, perhaps for a relaxing swim, sauna and snack. Soon, all-comers will benefit from the major revamp being undertaken by our Athletic Department. At a cost of nearly \$250,000, including new layout, new machines, TVs, poolside furniture and food service, the second floor will soon provide a seamless path for fitness and enjoyment unique among the great city clubs of the world.

The circuit will flow easily from aerobic to anaerobic; working the heart and lungs then working on the muscles with small or large weights.

As Paul Collins, award-winning manager of the Department puts it: "The latest Cybex state-of-the-art machines - including run, step, ski and row - are designed in an easy format to be more user-friendly. You can take the 30 minute express lane, and work your whole body in half an hour."

As an example, the three big-screen TVs tuned to Foxtel sports or news will take your mind off the effort you're putting into cycling. "We call it the 'cardio-theatre' and time passes very quickly," says Paul.

The new assessment room aims to give everyone a customised program to measure themselves against.

The pool area is the ideal getaway for an hour or so and will soon become even more enjoyable. You will be able to go direct from the dressing room to the pool, sauna and spa. Refurbished reading areas, new chairs and tables overlooking the park for lunch will feature

after

delicious food and snack service (thanks to our new Executive Chef, Paul Merrony). A fresh coat of paint will match it up to the rest of the club, and you will see why some members have referred to this upgrade as giving us 'a holiday resort in the middle of the city.'

James Bond and Brioni: You and Vince Maloney

When investing millions in a new James Bond movie series and you want your 007 to look magnificent as well as credible; what do you do?

You go to Rome and commission the legendary Brioni to tailor 007's sartorial image.

Brioni has been creating the tailoring of super-stars and the more up-market princes and international financial giants for at least Fifty Years. Brioni suits and jackets, even his luscious silk neckties, look like heaven but cost the earth. Vince Maloney thinks Sydney is ready for Brioni.

He has just imported a handful of Brioni suits and other items for you to greet 2000 in. Although, when you see his selection of Brioni fabrics for 2000, you may feel that a tailored-to-measure-in-Italy Brioni suit is the way to go.

sports

Bondi Beach Fitness Sessions Every Wednesday Morning during February - 2nd, 9th, 16th and 23rd.

All members and their guests are invited to this jog, swim and strength training session at North Bondi Beach.

Meet: North Bondi Surf Club
Time: 6.15am start
Bring: Towel, costumes, swimmers,
goggles and T-shirt

Complimentary foot assessments a great success

Podiatrist Sam Towers visited the athletic department each Thursday evening over the past few months providing free foot assessments for members and moulding shoe inner-soles on-site.

Spinning - Still the No 1 class

Enjoy cycling? Combine a stationary cycling class to music and you have spinning. Up to 10 members at a time can participate in the spinning class. Bookings are essential for each class - phone 9264 5624.

Why you should accumulate exercise during the day

Research is offering new evidence that accumulation of exercise right throughout the day is great for heart health and health in general. This means being as active as possible. If your job requires you to sit for long periods, break this up regularly with brief bouts of exercise. For example, take 3 minutes to do 10 push ups, 10 dips on the edge of your chair, 20 abdominal crunches and 15 bodyweight leg squats followed by a few stretches on your way to grabbing a glass of water. Repeat this every hour. Then when you're off to the gym, pick up the pace. Simply use every available avenue to accumulate exercise. Yes, this includes using the stairs! Keep up the good work.

Safety on Kids' Day in the Gym

Members bringing their sons in on the weekends need to take full responsibility for their safety. No children should use the spa unless accompanied by their parent. The weights room is not a playground, it carries heavy equipment which is dangerous to the

untrained. Please be aware of other members and take care on your next visit.

Gain some valuable health tips on the Internet

Visit Paul Collins at the 'Inside Sport' magazine website: www.sportcentral.com.au for free fitness information. Click onto the "fitness guru" for a question or two.

Coming Up:

FREE posture tests and health assessments will soon be available for all Members.

Year 2000 is geared to be the biggest and best tournament year in Tattersall's with 19 regular Thursday night competitions scheduled including a series of sponsored evenings through the generosity of Eddie Crane and Anywhere Travel.

Championship and Handicap tournaments for Billiards and Snooker in singles and doubles, and ladder challenges will provide members every opportunity to fulfil their own Olympic ambitions within the best club facilities in the world. Join us at the Walter Lindrum Clubrooms on Level 3 to play, or stay for drinks.

Tattersall's GST - Grand Snooker Tournament universally known as The Snooker Club Calcutta is on again and is open to all Members. Last year's winning owner made \$30,000 from an initial investment of \$80. This could only happen at Tatts!

So get your tickets early, book a table with friends and be there on Thursday night, April 6th for the investment return of the Year 2000. Get a shot at winning, without having to play a shot!

Anywhere Travel is providing cocktails for all members on Thursday night February 24th at 6.00pm, to launch their association with Tattersall's and the sponsorship of their first snooker tournament on March 30th ... and others during 2000.

Well-travelled Members value their experiences and snooker players at Tattersall's have better experiences than most.

around the gym

snooker

arts

this is Art

Have you noticed the new works of art appearing on all levels of your Club?

Don't all shout at once. Some love 'em. Some hate 'em. Some like some pieces and not others. But that's the way good art has been through the centuries.

These works are not just to fill spaces on the freshly painted walls but represent the first steps in a long-term program to develop a valuable collection.

This collection will ideally compliment the atmosphere of the Club... not old-fashioned; not too groovy and avant garde. Contemporary but comfortable.

The main piece, commissioned for the Club, is the work of this year's Wynn Prize winner, Gloria Petyarre. This painting represents bush leaves and grasses and the patterns seem to move as if in a breeze as you walk past.

Standing starkly out from its shadow on the wall behind, is "Totem" a tall, dramatic piece from prize-winning sculptor Christopher Hodges, who also produced the "The Track" nearby.

Inside the Members Bar, are three paintings by one of Australia's most respected artists, Tim Storrier. Tim is a member and has loaned this suite to the Club.

In the Brasserie, complementing its modern décor, is a group of paintings by member Gary Gregg, well known barrister and emerging contemporary artist. Gary has called these the "Space, Colour, Time Suite"

Never losing sight of our great traditions, we have improved the lighting of the main staircase to show more effectively our Sporting Hall of Fame, and elsewhere we'll proudly display memorabilia from Bradman, TJ Smith and of course Walter Lindrum.

Near the main entrance you will also see the more traditional sculptures of Man and Horse, echoing the Club's logo.

We are looking to expand and enhance the Tattersalls Art Collection each year as funds and loans become available, selectively purchasing high quality works that will be outstanding when you first see them and will also stand the test of time.

STOP PRESS

Have you tried the Brasserie lately? Since our opening on January 10, lunch has been a very busy time in the Brasserie, with Members and guests enjoying the culinary delights of new caterer Paul Merrony.

Whilst on the topic of food, during the renovation phase in the Athletic Department/Pool, lunches are available from the window into the Brasserie kitchen. It is planned to return to a previous style of food service following renovations.

The brass doors at the entrance to Tattersall's Club at 181 Elizabeth Street are slowly returning to a polished state. Much "elbow grease" has been applied to the doors by Dennis Phillips over the past few weeks.

Plans are underway to paint sections of the B1 entrance to Tattersall's which is used by Members to gain access to the Athletic Department during weekends.

Due to continued parking and access problems in the loading dock area, it has been necessary to prohibit all parking by Members in the dock. Spaces have been marked out for key staff who need 24 hour access in case of emergency, and to facilitate deliveries.

The big screen television, originally hired for the period prior to Christmas, appears to be so popular with Members that a permanent position will be found for it in the near future.

newsmakers

the new face of catering at tattersalls

Paul Merrony, in his role as Executive Chef at Tattersall's club has appointed the following staff to manage the operation at the Club

LEE FARRELL
Manager Catering

Lee joins Tattersall's after many years experience in the hospitality industry on the east coast of Australia. Lee has worked at many well known hotels including the Sheraton Mirage, Park Hyatt, Sebel Town House. Lee looks forward to meeting Members and discussing their catering requirements.

SARAH RADGE
Assistant Manager

Sarah joins Tattersall's from Et Cetera Restaurant in Gordon. Prior to there, Sarah spent three years as Restaurant manager at Bibendum Restaurant in London, and two years in banqueting at the Ritz Carlton, Double Bay. Sarah will be happy to work with Members planning their special functions.

HOWARD MORRIS
Head Chef

Originally from New Zealand, Howard recently developed Coast at Cockle Bay on behalf of developers. Prior to that he was with Neil Perry at The Museum of Contemporary Art, and for four years at Merrony's at the Quay.

Howard also worked at Kensington Place Restaurant in London.

He brings a wealth of culinary excellence and experience to Tattersall's Club.

GARY MARTIN
Functions Chef

Gary joins Tattersall's also from The Museum of Contemporary Art at the Quay where he was Head Chef for Rockpool Catering.

He undertook his apprenticeship in cooking at Holiday Inn Menzies.

Gary is looking forward to catering for our many Members' functions and events such as Black Tie Boxing and the Snooker and Golden Slipper Calcuttas.
